Course Description/Overview

This class will consist of an analysis of the claims of the Bible, as the Word of God. From that analysis, will be a discussion of the method of study that is consistent with what the Bible is and which will lead to a proper understanding of the text.

Included within the scope of this class will be a discussion on the authority and reliability of the Bible itself. In addition, a look at Bible study methods will be part of this class.

Course Learning Objectives

1. To gain an understanding of the authority and reliability of the Bible.
2. To gain an understanding of the proper method to study the Scriptures.
